

2 **August 7, 2006**

4 The material "Concrete Class 3000" and referenced section "6-02" are revised to read:

6	Commercial Concrete	6-02.3(2)B
---	---------------------	------------

8 **8-16.3(3) Poured in Place Cement Concrete**

9 In the second paragraph, the words “Class 3000 cement” are revised to read “commercial”.
